

LIFELINE

Todd McVicker, Sean Hill, Shelly Johnson

2/7/20 // Key of E // BPM: 82

Verse 1

There's a terror on the prowl a gravity pinning me to the ground, now
I am blinded by this cloud my fear is taking over

Verse 2

Trying hard to figure out, how to keep breathing so I don't drown, now
There's a panic all around that tries to pull me under
Don't let me go under

Chorus

My eyes on you
My eyes on you
The lifeline I've been reaching for
My eyes on you

Verse 3

I've been signaling with smoke, an SOS could be my only hope, now
Am I out here all alone?
This hell could be my ending

Verse 4

But you won't leave me in the cold, fight off my demons to bring me home, now
Is this the hand I've always known? Would be the one to save me?
You've come to save me

Bridge

You are the breath that I needed
You are the air that I'm breathing
You are, You are, You are, You are my lifeline
You always run to my rescue
You're always there when I need you
You are, You are, You are, You are my lifeline
