## VERSE 1

Dm9                      Gm9  
I wish it were easy but love is hard  
Dm9                      Gm9                      (C-D-F-D-C-A)  
You'll never know commitment with lies in your heart  
Dm9                      Gm9  
All the rules we've carried are so unnecessary  
Bbmaj9                      A7flat6  
Cause there's no baggage to bury If we're at the start

## CHORUS

   Dm9  
Let's just make it so brand new, so brand new  
   Gm9  
Leave the dust in our rear view, oooo!  
   Dm9  
High beams on just me and you, me and you  
   Gm9  
Cause we make it so brand new  
   Dm9  
Let's just make it so brand new, so brand new  
   Gm9  
Watch us make a grand debut, oooo!  
   Dm9  
Flashing lights on me and you, me and you  
   Gm9  
Cause we make it so brand new.

## VERSE 2

Dm9                      Gm9  
God, you're a real one, blood carries deep  
Dm9                      Gm9  
Where I've been scared of my secrets, you're clarity  
Dm9                      Gm9  
The cross that You carried was so necessary  
Bbmaj9                      A7flat6  
And there's no baggage to bury, love has made me free
